The HoD took the chair.

Considered the proposal for opening a savings Bank account with UCO Bank, VU Branch and noted that there is already the existence of another savings account in the name of the department bearing account no. 17480-1000-2257. After careful consideration all the facts including the need for opening a savings account for the forthcoming seminar in the department, it has been resolved to inform the University authority to permit the following things:

- a. The department may be allowed to open a fresh savings account with UCO Bank to be operated jointly by the Head of the Department and Sri Eyasin Khan (Seminar Coordinator) and the same will be closed within the stipulated time frame;
- b. The previous account with the UCO Bank be closed and the balance amount around Rs. 18,500/- be credited to the new account.

Hence, the University authority be requested to grant permission for opening/operating the account as proposed above.
