নং / No. রেজল্যুশন / Resolution Adopted

- Resolutions of previous meeting were confirmed.
- With reference to the letter sent by the Deputy Inspector of Colleges and Special Officer, to the HOD Zoology dated 13.8.18, the department feels that with the existing liability of faculty of Zoology towards M.Sc. regular students and in order to maintain quality teaching (with respect to forthcoming NAAC visit) we have no objection if the CCAE starts the Evening course in Zoology, only without the compulsory involvement of faculty members.
- Due to the transfer of our laboratory staff - Mr. T. Goswami, who was well-trained to assist us in various practicals (including four special papers) in addition to other jobs for last several years, the department is facing difficulty in running the same. So, we unanimously appeal to the authority to return him back for the smooth running of all activities, if possible.
- The DC has no objection in forwarding the application of Dr. S. Acharya's project to funding agencies titled 'Prevalence study of Anaemia among tribal people esp. Jangal Mahal area of W.B.
