**Add-on Course**  
**Department of philosophy and the Life-world**  
**Vidyasagar University, paschim Midnapore- 721102**

The Department of Philosophy and the life-world, Vidyasagar University offers a certificate Course on the discipline of Cognitive Science.

**A. The objective of the said course is as follows:**

1. It would help the students to relate philosophy with science and language. As the field of cognitive science has grown out of increasingly active interaction among psychology, linguistics, artificial intelligence, philosophy, and neuroscience.
2. It would help the students to understand human mind and mental states in a scientific manner. As it is generally believed that human mind is completely subjective and beyond of any kind of objective analysis, the purpose of cognitive science is to show that human mind can be well analyzed in terms of Artificial intelligence.

**B. Structure of the course:** Theory: 40 marks    Viva – voce : 10 marks

Syllabus of the theoretical course:

1. Human mind and cognitive science
2. Brain and cognition
3. Language and cognitive science
4. Ethics and Cognitive Science

**C. Target Group:** Atleast Graduate in Philosophy

**D. Timing:** two days in a week ( 4 pm to 6 pm)

**E. Fees Structure:** Rs. 3000/-

- c) Biocentrism
- d) Holism

It is resolved that the department would plan for an online course on Srimad Bhagavad Gita that would be offered <sup>regarding</sup> through MOOCs ~~through~~ SWAYAM platform launched by UGC. The tentative title of the proposed course is Bhagavad Gita in Practical life. As the offered text is very vast it would take some time to plan the entire course and should be updated as early as possible.
