Semester:

Resolution:-

1) Both semester students are demanding for M.Sc. in Geography and the subject Geography comes under Faculty of Science so, they are asking for M.Sc. in Geography rather M.A. in Geography.

2) Students are asking for more computers in the Computer lab, at least 15 computers in the Computer lab.

3) A compulsory term paper need to submit by the II Sem Students which will be strictly followed by the Dept.

4) Each semester students will organize a presentation series where faculty will be invited as resource persons.
