

Meeting of Student Teacher Committee on 30.08.2017

Members Present:

1. ~~P. K. Das~~ 30/8/17
2. ~~P. K. Das~~ 30/8/17
3. Aishwarya Singha
4. Anupam Mondal
5. Indrajit Das.
6. Aishwarya Das.

Recommendations:

- ① Students of 3rd semester wants to talk to Coordinator regarding their problems, Dr P.K. Das Mohapatra may be present during the discussion.
- ② During CBCS classes, if the elective classes are not held during allotted time in other department, our students do not get space to sit in the department during that time as 1st Sem class and elective class for other subject students held in our department.
- ③ LCD projector of 3rd semester to be repaired, as for last few days it is showing hazyness.
- ④ Time for practical classes may be enhanced as microbiology practicals takes time. If require students be allowed to do work after 5-30 for few minutes.
- ⑤ 3rd Semester students wants more theory classes in 1st half of day.
- ⑥ For 3rd semester paper 303 B should be

started by responsible faculty member immediately.

(7) Books on Bioprocess technology be purchased in the library for students use.

(8) Though 3rd Semester students attend classes regularly but are not scoring satisfactory marks. So appropriate measures be taken to improve the capability of students. Even in some papers students are not getting good marks in Internal examination also. Faculty members should help them in solving this problem.

(9) In some papers students are unable to answer some questions though they have regularly attended classes for those papers. Teachers should be requested to solve the problems.

(10) Some (one) teacher discouraged them (3rd Sem students) by telling few good potatoes will spoil with a huge number of spoiled potatoes.

(In Bengali: কোন একজন শিক্ষক অন্যান্য অনেক ভাল সবুজ আলু দেখিয়ে বলেছেন, 'একটা ভাল আলু অনেক খারাপ আলুর মধ্যে নষ্ট হয়ে যাবে।' এটিতে শিক্ষার্থীদের মনোবল হ্রাস করে এবং তাদেরকে হতাশ করে।)

This type of discrimination and discouragement should be stopped.

(11) Merge scheme classes and classes of GT may be started early.

12. Some teachers takes more time than their allotted classes so next teacher not gets enough time for his class. Even in tiffin some times students do not get time to go to canteen. Teachers may be requested to solve the problem.
