Dean, Faculty of Science, VU, mentioned that out of his four publications supervisors name is present in only one publication. However, Prof. B. R. De, supervisor, who was present in the meeting informed that he has previously given consent to publish the papers without his authorship and in the meeting also supported the candidate for the submission of the thesis. The Ph.D committee recommended the submission of the Ph.D thesis. The Ph.D committee members suggested that the thesis title should be appropriate if it is changed from "Quantum chemistry of ion-molecule interactions in ground and excited state" to "Quantum chemistry of ion-molecule interactions in ground and low lying excited state".
4. Sadhan Samanta, working under the supervision of Prof. Ajay Kumar Misra, Department of Chemistry and Chemical Technology, Vidyasagar University presented his pre-submission seminar satisfactorily. The Ph.D committee recommended for submission of the Ph.D thesis.
