Resolutions of the Ph.D committee meeting of Chemistry held on 21.11.2016

1. Resolutions of the last meeting held on 5.7.2016 were read and confirmed.
2. Bibhas Chandra Panda, working under the supervision of Prof. Syed Sirajul Islam, Department of Chemistry and Chemical Technology, Vidyasagar University and Dr. Soumitra Mondal, Dept. of Chemistry (UG and PG), Panskura Banamali College presented his pre-submission seminar satisfactorily. The committee observed that the candidate has already published one paper in an international journal and another manuscript is under minor revision in a reputed international journal (Copy attached). In view of this the committee recommended the submission of the thesis of the said candidate once the second manuscript is accepted.
3. The panel of adjudicators for the thesis of Bibhas Chandra Panda is approved.

The meeting ended with a vote of thanks to the chair.
