

Agenda - 2) Pre-submission Seminar Presentation:

Ramprosad Kundu appeared and presented his pre-submission seminar proposal in front of Ph.D. committee members held on 08.08.2018 in the Department of RS and GIS. His title of the pre-submission research proposal is accepted as "Development of Late Blight Disease Monitoring system for Major Potato Growing Districts of southern West Bengal using Multi-sensor Data". Modification of the title of the thesis is suggested by the committee and that has also been accepted by both the guide and candidate during pre-submission seminar. Accordingly, the modified title of the thesis is recommended and accepted by the committee.

He started his presentation in 2:00 PM in the chambers of HOD of Remote Sensing and GIS department. He answered all the questions raised in the meeting successfully. The external and internal members of the Ph.D. committee ^{however,} commented and suggested on his proposal for improvement of his Ph.D. thesis. He can submit his thesis with consideration of comments and suggestions made by expert members of the Ph.D. committee.

Sri Atanu Ojha appeared and presented his pre-submission seminar proposal in front of Ph.D. committee members held on 08.08.2018 at 3-45 PM in chambers of HOD of Remote Sensing and GIS department of Vidyasagar University. His title of the pre-submission research proposal is accepted as "Environmental impacts of Inland shrimp farming in parts of Purbamedinipur District, West Bengal - A Geospatial Analysis". Modification of the title of the thesis is suggested by the committee and that has been accepted by the guide and candidate during the seminar. Accordingly, the new title is recommended and accepted by the committee.

He answered all the questions raised in the meeting in support his thesis. Some comments and suggestions are made by the expert of the committee to improve his final thesis. He is advised to submit his thesis considering with comments and suggestions made by committee members.
