Resolution of the DC meeting (Ref. No.: VU/PG/Chem/163 Dated 08.03.2016)

1. The resolutions of the last DC meeting held on 25.2.2016 was read and confirmed.
2. Prof. B. G. Bag reported the DC that in view of the request of Prof. Bag to the DST for the procurement of the liquid nitrogen plant, the DST has, in principle, might consider an amount of Rs 25 lacs. However, a formal undertaking as "The Department would either set up the facility within the recommended amount or the remaining additional amount would be borne by the Department" is to be submitted to the DST.

Prof. Bag also reported about his communication with the Hon'ble Vice-Chancellor in this regard. It was learnt that the Hon'ble Vice-Chancellor has enquired about the total cost of the set up. Prof. Bag was requested to comply with the matter. However, considering the exigency, the DC unanimously resolved to submit the undertaking through the appropriate authority of the University.

The meeting ended with a vote of thanks to the chair.
