The major issues discussed today are:

1. In the Departmental Library, the Computers need to be changed. They are all old machines, and Internet connections are frequently disrupted.
2. We also need an ICT Room in the Department.
3. The number of Books in the Departmental Library needs to be increased.
4. Water problem is acute during the summer. We need adequate supply of cool drinking water.
5. There should be regular Students' Seminar in the Department at regular intervals. We ourselves can organise such Seminars, by consulting with the Teachers.
