enable the CCAE students to improve their results besides having a better opportunity to select a subject they prefer to study. This shall be brought to the notice of the Director, CCAE.

11. The examination pattern for the CCAE students should be at par with the Regular students to decrease the pressure of preparation for the examinations. This shall be communicated to the Director, CCAE.

12. The CCAE students could avail the Bus-Service if the SASTC (WB39B-0238) bus for the 4th Trip could be from 3.00 pm, so that the bus reaches the University at 3.30 pm at the end of the trip. Their classes begin at 4.00 pm, so, the present 4th trip-schedule doesn't allow any time to reach the class (besides, the level crossing gate being closed at times becomes cause for further delay)
