## Resolution:

1. The Departmental Committee discussed about the vacant seats (03) present in the MCA 1<sup>st</sup> Semester, 2017, ~~as~~ since some students left the course. On basis of this, the committee resolves that vacant seats present in the said semester could be filled by taking new admission as per rules and regulations of the University. The DC also resolves that if new admissions for these vacant seats are taken, the department does not have any objection.
