Minutes of meeting with faculties of Departmental Committee meeting, Dept. of Applied Mathematics held on 3rd June 2019 at 2.15 P.M at the room of HoD :

At the outset of the meeting HoD, Prof. Dilip Kumar Maiti, welcomes all the members & the Committee confirmed the proceedings of last DC meeting held on 18.04.2019 & uploaded in the website.

The following matters were discussed as per the notice:

1. Teachers' presence & continuous support to the students during the Match is highly appreciated by the respective Committee.
2. The date for Practical/Dissertation of II & IV semester exam will be fixed by the respective teacher in consultation with external expert.
3. Resolutions (asking to convene the DC meeting to reconsider change the name of department as "Dept. of Mathematics") of the Joint Faculty Councils for Arts & Commerce and Science held on 28.03.2019 was placed in DC meeting. Members have discuss thoroughly regarding the department name, and the committee believes that that "DEPARTMENT OF APPLIED MATHEMATICS" would be more appropriate for the following reason.
 - a. Today, the term "applied mathematics" is used in a broader sense. Many areas of mathematics are applicable to real-world problems today. And the real-world problems are designed based on the concept of Applied Mathematics. In fact, the path of interdisciplinary research is based on the Applied Mathematics.
 - b. It is also a Job-oriented subject on which students get jobs in other areas of science and engineering.
 - c. Many students of our department with Applied Mathematics knowledge get benefit for higher studies in a subject other than core Mathematics, such as M.Tech in Industrial Mathematics, Computer Science and Meteorology courses in different IITs, NITs, etc.
4. A Discussion of the DC meeting of the letter of Development Officer it is decided & member suggested that we need a space of 30 computers adjacent to the department to develop a computer Lab under DST FIST grant.
