Resolution of the ICT-MIS Working Committee Meeting dated 20-02-2020

Office of the Vice-Chancellor
VIDYASAGAR UNIVERSITY

Date: 24/2/20
Time: 5 P M
[Signature]

Members Present:

1. Prof. Ranjan Chakrabarti, Hon'ble Vice-Chancellor – Chairman
2. Dr. Sibaji Pratim Basu, Dean Faculty of Arts & Commerce
3. Dr. Subrata Kr. De, Dean faculty of Science
4. Dr. J.K. Nandi, Registrar
5. Sri Gautam Pal, Finance Officer
6. Shri Arindam Bhattacharya, System Analyst (Actg)
7. Sri Biplab Chakraborty, Information Scientist. (invitee)
8. Sri Debyan Nanda (invitee)
9. Sunil Ch. Mallik, EDCC & Convener

Hon'ble Vice-Chancellor in Chair

Agenda 1: To report and resolve the action to be taken on the status of UMS Project, Website Project, Mobile Apps and Network Project.

Convener reported that as per resolution of previous meeting, the UMS Proposal was split in 4 parts and 1st Part Proposal has been accepted and sent to the Government for necessary funding. Subsequently remaining parts will be sent. On the other hand as per MoU M/S Jupiter Computer is continuing their SRS study and in process of preparing the final SRS.

The New website is also being developed by M/S Jupiter Computer. They have sent a mail with a commitment that the site will be launched by 19th Feb., but it is still not ready. VU Team visited the vendor office to verify the status. They have been requested once again to complete the work in war footing step. They have taken time upto 24th Feb.

The Mobile apps is almost complete. It may be launched by 30th Feb.

The Network Project Passive material has been delivered. They will start the work from 24th Feb., 2020.

Resolution:

After thorough discussion and careful consideration it was resolved that

- (i) WBEIDC may be allotted a space for the labour accommodation to expedite the network project work. It was also resolved that SUE department be involved during the cable laying for safety of other lines.
- (ii) M/S Jupiter computer be requested to expedite the website project on urgent basis. In the meantime the in-house website should be kept ready with new theme so that it can be deployed at any time on urgency.
- (iii) For UMS funding, Registrar be requested to follow up the project for funding against the part I proposal. If required FO and EDCC may visit the H.E. department

Agenda 2: To consider the AMC Proposal of CDAC for Attendance System devices, Card Manager etc. installed across the campus and Leave Management System Software developed by M/S CDAC.

Convener reported that as per last meeting, on AMC proposal of CDAC, A negotiation meeting followed by final proposal which includes both hardware and software of the Leave and Attendance System has been Received. The annual AMC amount is Rs. 2,47,600. Placed for consideration.

vc/129/20
Placed before Hon'ble Vice-Chancellor for considered consideration & approval.

Resolution:

After thorough discussion and careful consideration it was resolved that the whole attendance and LMS system is indigenous product of CDAC and sensitive and needs to be brought under AMC. The revised and negotiated price is reasonable and accepted and approved by the committee. The AMC proposal may forwarded to FC for ratification and F.O. be requested to place AMC order to CDAC as per the proposal.

Agenda 3: To consider the invoice raised by CDAC on the pending payment of Rs. 5,81,400/- of the work order for LMS Software vide w.o. no. VU/FIN/CC/SMARTCARD/020/2017 dated 14-07-2017

Convener reported that Bill for the LMS Project of CDAC of Rs.5,81,400/- was kept pending due to non-fulfilment of some of the requirement of LMS Software. Recently after the meeting with CDAC, the matter was taken up and as per report received from Establishment section of the Registrar department, it is noted that all the issues are resolved except night mode which is very difficult to handle considering the various working hours schedule of Night security and manual attendance is preferred.

Resolution:

After thorough discussion it was resolved that the payment be released at the earliest and CDAC be requested to keep track of the system and incorporate any changes during the AMC Period.

Agenda 4 : To discuss the proposal of the Information Scientist for deploying New Firewall at Central Library.

Convener reported that the Library Network is developed independently under Information Scientist through Library Committee and an independent Firewall was installed in the Library Which has been connected with the Computer Centre Firewall giving 1 series of 2 firewall in a line which is not desirable considering the deployment and maintenance cost on the same organization. Therefore, it may be proposed that if Library network can be connected with the VU campus LAN and then the Gateway firewall may be used for the Library also.

Resolution:

After considering the huge const of deployment, it may be deferred and Information Scientist and EDCC is requested to explore the possibilities of Using the campus firewall on a single LAN/
