

Acknowledgement

I am deeply grateful to my respected teacher and supervisor, **Professor Ashish Kumar Paul**, Department of Geography and Environmental Management, Vidyasagar University, Midnapore. I am humbly thankful to him for his support, guidance and encouragement during this research work.

I am deeply thankful to my parents for their support and inspiration to complete this research work. I am also thankful to my other family members who support me during this work.

I am also deeply grateful towards the teachers of the Department of Remote Sensing and Geographical Information System and also the research Scholar of the Department of the Geography and Environmental Management, Vidyasagar University for their encouragement, cooperation and extremely useful suggestions during my research work.

I am thankful to different Government officer, Technical Assistants of Library of Vidyasagar University and the librarians of the Central Library and Departmental Library, Vidyasagar University, the National Library, and the tourists during my field work in my research area.

I am also thankful to The Researcher's Association of Vidyasagar University, Midnapore for giving me the opportunity to fulfillment of my research work in the stipulated time.

I am very grateful to Almighty that I got all his blessings during five years journey of my research work. I apologize to those persons who helped me a lot in my research work, but I couldn't mention their name due to shortage of space here.
