Minutes of Departmental Committee meeting, Dept. of Applied Mathematics with Oceanology and Computer Programming held on 07.04.2021 at 1 P.M:

At the outset of the meeting HoD, Prof. Shyamal Kumar Mondal, welcomes all the members and following decisions are taken as hereunder:

1. The proceedings of the last DC meeting held on 23.03.2021 is read and confirmed.
2. The letter of the PG Secretary, regarding Introduction of MOOC courses is discussed with all the DC members. On the basis of the DC meeting held on 30.11.2017 and 05.12.2017, the DC members had extended their consent for commencing one of the MOOC course namely "Probability and Stochastic for Finance". Now in this meeting of today, DC members decide that as this MOOC course will be introduced for the students against the CBCS paper, the name of the MOOC course should be selected by the students. Hence, the administration is requested to take initiation in this regard.
3. After discussion with all the DC members, Course is allotted as per the following table for the academic year (2021-22):

Semester - II			Semester IV

4. The matter of DDE module review is discussed with all the DC members. In this meeting, it is decided that since most of the modules are written by the internal teachers, so external reviewer are required for reviewing and editing. In this regard, internal teachers are not agreed for reviewing and editing. So, it is requested to the concerned authority to execute this purpose by all external teachers of other Universities/Institutions.

As the members feel that there is no other issue to be addressed, the meeting is concluded by thanking all the present members.
