Our students, who are willing to pursue PhD degree from this department are getting deprived day by day and becoming de-motivated. At the same time, our young faculty members are also being deprived from the scope of guiding PhD students. At present, the department has four eligible faculty members as a research supervisor in the department as per UGC norms. Besides, one of our faculty members Dr. Rajendra Prosad Ghosh has received a research project from DST & BT, Govt. of West Bengal and Dr. Subhas Chandra Saha has already guided three PhD students from this department. Moreover, in the department a PhD committee is present. Hence, it is resolved that the HOD will write a letter to the authority requesting to open the Ph.D. programme in the department again.
