Certificate

This is to certify that the research work embodied in this thesis entitled "Availability of Edible Marine Molluscan Fauna found at Digha Coast and Studies their Nutritional Value" has been carried out by Mr. Manotosh Das under my supervision and guidance. He has followed the rules and regulations as laid down by Vidyasagar University for the fulfillment of requirement for the degree of Doctor of Philosophy (Science). This research dissertation is original and based on the extensive survey blended with laboratory studies. I sincerely believe that any part of this research dissertation has not been submitted elsewhere for any other degree or award. The assistance and help received during the course of investigation have been duly acknowledged.

I wish him all success in life.
