Certificate from Supervisors

This is to certify that the thesis entitled "Prospecting intraspecific diversity, utilities and biotic threats of some weed species in selected forest areas of Paschim Medinipur district for their proper exploitation." Submitted by Sri Abhiram Chowdhury, registered under Vidyasagar University in 2011 (Reg. No. 202), for award of Ph.D. degree is entirely based on his work and findings under our supervision. It is also certified neither total nor partial part of this work has been submitted earlier for obtaining any degree or diploma or any other academic award under this University as well as elsewhere.

A revised copy of the above said thesis with necessary correction as per recommendation of an evaluator is resubmitted by Sri Abhiram Chowdhury under our supervision.
