Agendas:

1. To confirm the proceedings of the last meeting of departmental committee in Chemistry
2. Repairing of UV Spectrophotometer
3. Misc.

Resolution:

1. The proceedings of the last meeting of the Departmental Committee in Chemistry read and confirmed.
2. HoD reported that the UV spectrophotometer of the department is out of order for last one year and is needed to be repaired at earliest for smooth running of the research work as well as the two semester project work of the PG students. She also informed to the members of the committee that Rs. 1,81,744/- is required to repair the instrument and the department has no fund to repair it. In this situation DC unanimously resolved that the university authority would be requested to provide the fund of Rs. 1,81,744/- for repairing the UV- Spectrophotometer.
