4. In response to the opinion seek by Hon'ble Vice Chancellor against the mail received by the University authority regarding organization of online workshop by CSIR-IIIM Jammu we have communicated with our students and the organizers. Around half of our M.Sc. students (30 students) are interested to join the workshop, however, minimum 50 participants are needed from organizer's end. The registration fee of the workshop is Rs. 550/-. They also proposed that students of UG and PG of other relevant subjects can also participate.
