Further resolved that Remedial classes be allotted to the ^{two} faculty members of CDOE and two JRFs to monitor the academic progress of the 12 candidates with supplementary papers. The current attendance record of the students of even semesters be also displayed on the notice board in the department.

It was also resolved that the students claiming special consideration on medical ground would have to produce medical certificate with details of the tenure of complete bed rest accompanied by a fitness certificate. The records would be sent to P. O. Secretary for further consideration.
